Philosophy of Ministry

Papio Creek Church (PCC) exists to be used by the Holy Spirit to bring about authentic spiritual and behavioral change within and beyond our church walls. We believe that God speaks to the world through the “Christ-likeness” of His people. Therefore, it is our prayer that God would use PCC to help individuals encounter the Word of God through the practice of prayer, along with the understanding and application of scripture.

We believe that God’s people are renewed and energized by a weekly time of Christ-centered community worship and Bible-based teaching. This energy then carries God’s people forward into a more intimate time of prayer, study, and accountability with their various small groups and mentors. We will know these ministries are successful when the people of Papio Creek Church strive to go out to model God’s love to the world in all that they say and do.
